MEET THE TEAM

Danny McDonagh

WHAT IS YOUR ROLE AT BOND BRICKWORK?

My role is the Managing Director of Bond Brickwork. I'm just one member of a great team who all work incredibly hard to make Bond Brickwork succeed, I couldn't ask for a better team to support me.

WHAT IS YOUR PROUDEST MOMENT AT BOND BRICKWORK?

I would say my proudest moment would be winning our first job which set the ball rolling, this was the Jones Homes - Hade Edge project.

WHAT DO YOU LIKE TO DO OUTSIDE WORK?

Outside of work I enjoy spending most of my time with my young family. I'm a season ticket holder for Huddersfield Town FC, I also like to keep an eye on my old rugby team the Old Brodleians - I always like to see them do well!!

DO YOU HAVE A NICKNAME FROM THE TEAM?

They call me McDonut!

WHAT ARE YOUR ASPIRATIONS FOR BOND BRICKWORK THIS YEAR?

My aspiration is for Bond Brickwork to develop as one of the leading brickwork subcontractors in the Yorkshire region.

HEALTH & SAFETY

AS PART OF OUR ONGOING COMMITMENT TO HEALTH & SAFETY WE RECENTLY HELD MORE TRAINING SESSIONS.

Stallard Kane have delivered various sessions to our team. These include Face fit testing, Manual Handling and working at heights.

APPRENTICESHIP

WE ARE 6 MONTHS INTO OUR FIRST APPRENTICESHIP SCHEME.

Our apprentice Josh has been working hard recently. He has been completing college work remotely alongside learning on site. Due to the bad weather he has been in the yard training, a bit of snow and rain won't stop him!

COMMUNITY

10 PEAKS IN 10 HOURS

Some of the Bond Brickwork team will be doing a charity challenge as soon as Covid allows. They will be doing 10 peaks in 10 hours in the Lake district for MS. While the challenge has been delayed its hasn't stopped them getting up for long walks before work. Fingers crossed they do it in spring.

LAPTOP FOR HOSPITAL PATIENT

Its a difficult time for children with remote learning currently. However we recently heard a local young lady Savannah is off school fighting Leukaemia. She was in need of a laptop and Bond were happy to donate one. We wish her all the best in her recovery .
