JUNE 2021

INTRO:

Despite a slow start to the year due to adverse weather conditions, this quarter has been our best to date. A strong end to February and a good March enabled us to beat our estimated cash-flow projections and reach our financial year end with very good results after a challenging year. We go from strength to strength securing new business with new Clients and repeat business with existing Clients.

I'd like to thank all of our Team for their continued commitment and hard work. Without them Bond Brickwork Ltd would not be the success it is.

Thank you to all of our Suppliers for consistently delivering to Project timescales and demands during this ever changing climate.

It is very rewarding as a Company Owner to visit our Sites and view good quality workmanship which is a testimony to our Management.

Danny McDonagh - Managing director

WHAT WE'VE BEEN DOING RECENTLY?

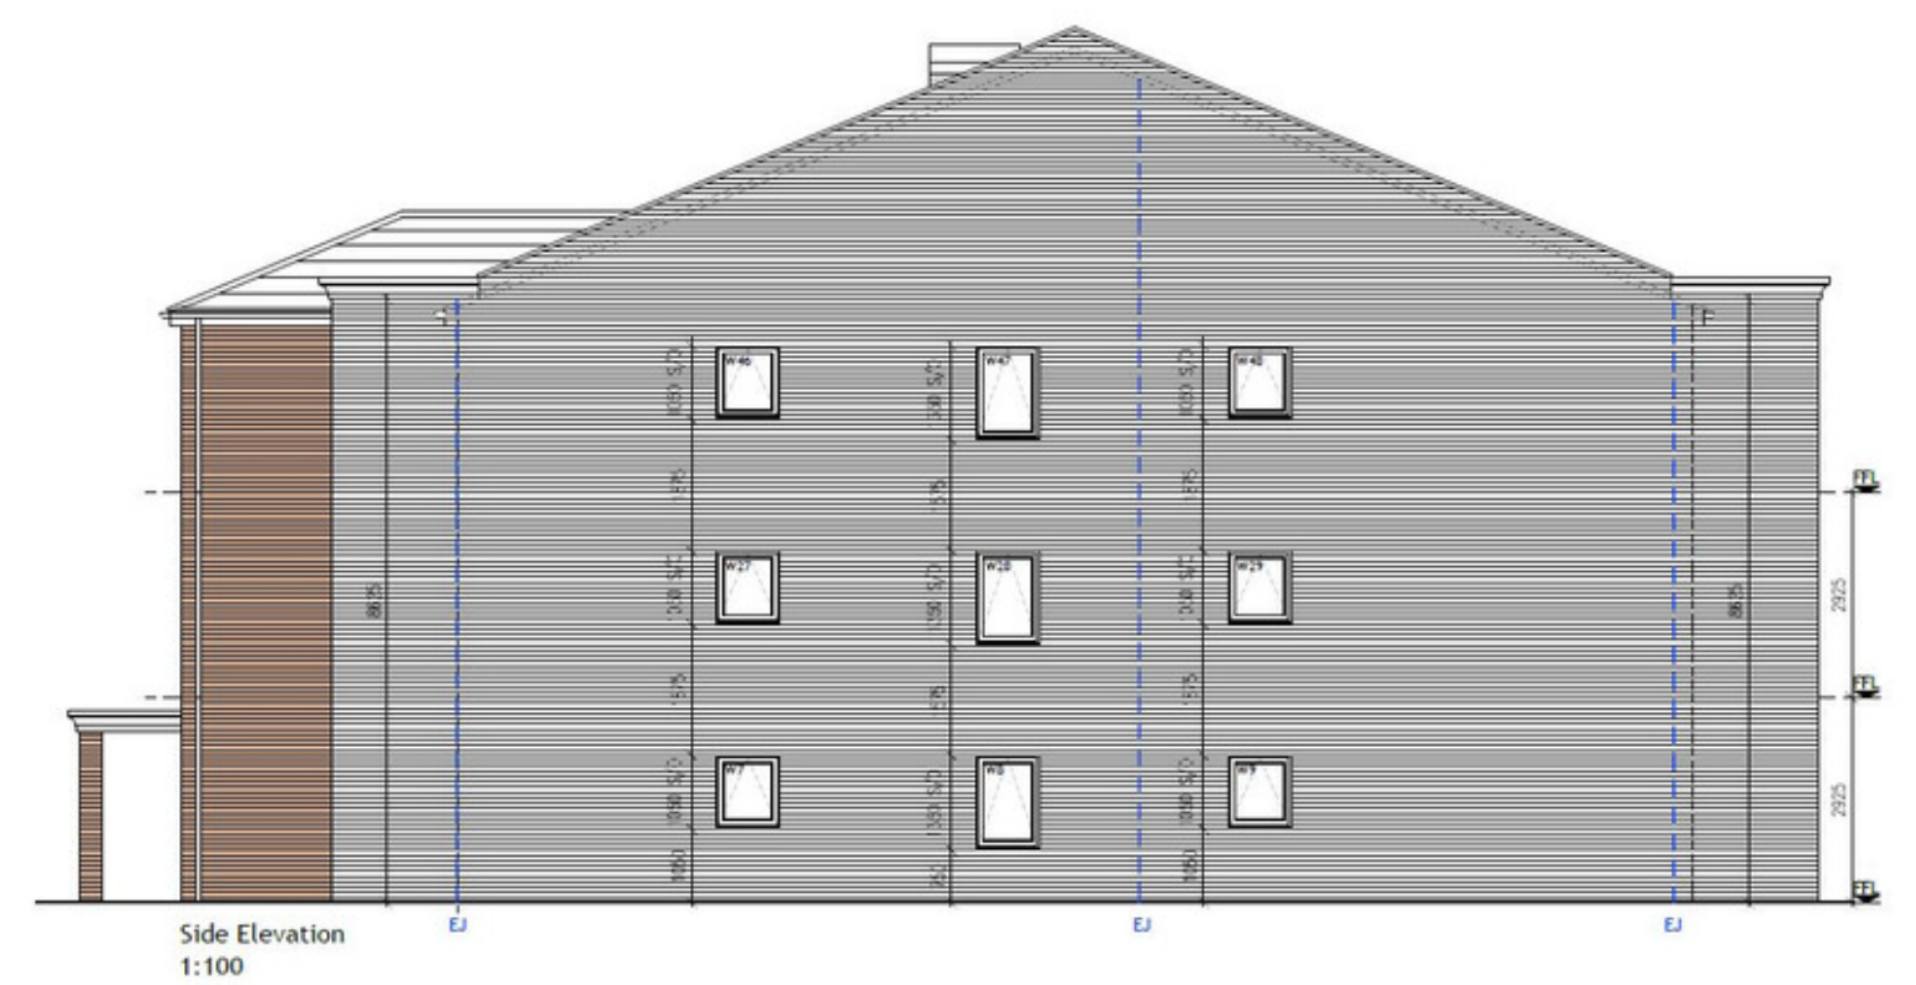

SOUTHOWRAM - HALIFAX VISTRY PARTNERSHIPS

We successfully completed the Southowram project which consisted of 9 Stone & Render faced timber framed houses.

WALTON - WAKEFIELD ENGIE

We recently secured a new site with our new Client 'Engie' which commenced Mid May. The site consists of 18 brick plots and a brick apartment block. We thank Engie for a seamless tender process and we look forward to developing a long standing working relationship.

HIPPERHOLME - HALIFAX TORSION GROUP

This lovely project for Torsion homes is located in Hipperholme, Halifax.

Plots 1-5 already have the scaffolding down, and are ready for external works to commence.

MEET THE TEAM

DAVE SAGE

WHAT IS YOUR ROLE AT BOND BRICKWORK?

My title at Bond Brickwork is the Commercial Director. This role revolves around the financial side of our Business. I oversee and get actively involved with the marketing to promote our Company to secure business, through the tendering process, to the management and financial monitoring of the accounts up until completion. I enjoy my role and appreciate the importance of securing projects at the right price and the delivery of a quality product to our Clients.

WHAT IS YOUR PROUDEST MOMENT AT BOND BRICKWORK?

I cannot single out one event. What makes me proud is seeing the Team work together to deliver our projects. Recent additions to the team has allowed the company to define key roles and forge a structure. The Characters involved do bring enjoyment to the day. There has been challenging projects but seeing our Team put the effort in and protect the Bond name and reputation is very warming. I would personally like to thank the Team for their exemplary performance and continued commitment.

WHAT DO YOU LIKE TO DO OUTSIDE WORK?

Outside work I have a lovely Family that put up with my quirky QS ways. If I get a window of opportunity I like to run and I'm currently progressing through a half-marathon training program. I occasionally play golf and I'm looking forward to being able to get out more regularly for a beer!

DO YOU HAVE A NICKNAME FROM THE TEAM?

I'm currently awaiting feedback from my Whatsapp message to the Team... It's gone strangely quiet!

WHAT ARE YOUR ASPIRATIONS FOR BOND BRICKWORK THIS YEAR?

This year for us will be strong. We have repeat Business in the pipeline and we are also in discussions with new Clients for new projects. Turnover will increase compared to last year but we are conscious of securing the right number of projects in the right areas for us, and at the right prices. This ensures the projects are run properly and any consequential growth is managed accordingly.

I'd like to close this by thanking the Team and our Clients for making Bond Brickwork Ltd a very enjoyable company to be part of.

HEALTH & SAFETY

As part of our ongoing commitment to Health & Safety our Consultant Stallard Kane has delivered a PASMA training course to our Building Technician Garry which allows him to build tower scaffolding competently in line with Industry regulations.

Congratulations Gary, keep up the great work you do.

In the last month we've also carried out 3 site audits.

COMMUNITY

Two of our Directors Dave and Danny were part of a group of 8 who recently completed the 24 mile 'Yorkshire 3 Peaks Challenge'. A great sub 9hr time was achieved on the day with many sore feet afterwards.

This journey was in preparation for the "10 Peaks in 10 Hours" Challenge that took place on 19th June 2021.

The group are raising money for MS via the Multiple Sclerosis Society. Any donation to such a good cause would be welcomed to [our just giving page](#).

COMMUNITY

We have continued our support for the 'Old Brodleians Rugby Club' based in Halifax. 'Project 90' is their campaign to generate funds to help the club due to the effects of Covid-19. Their website can be viewed at www.oldbrodleians.co.uk and any support would be appreciated to help these clubs which are pillars in their Communities.

WELCOME TO THE TEAM

With Business growth comes demand and we are pleased to welcome five new members to our team, Kev, Chris, James, Nicola and Tim. Without you the Business would not be what it is today so keep up the good work!
